A large, stylized tree with a thick brown trunk and a dense canopy of green leaves. The tree is set against a light blue sky. A green banner with a white border is draped across the middle of the tree, containing the text 'ECOPLAYPARK'. The word 'ECOPLAY' is in white, and 'PARK' is in yellow. The entire scene is framed by a solid green border.

ECOPLAYPARK

The image features a stylized illustration of a forest landscape. The upper portion is filled with a dense canopy of green trees with brown trunks. A blue river flows through the lower portion of the scene, with a small green hillside visible on the left bank. The text is overlaid on the forest and river areas.

FORESTA PLANIZIALE

**La foresta tipica
che ricopriva la
pianura padana; ne
sopravvivono
alcune porzioni.**

An illustration of a riparian forest. In the foreground, there is a body of water represented by a light blue area with a few white wavy lines. The background shows several trees with brown trunks and green foliage. The trees are of varying heights and are clustered together, suggesting a dense forest. The overall style is simple and illustrative.

PARCO NATURALE

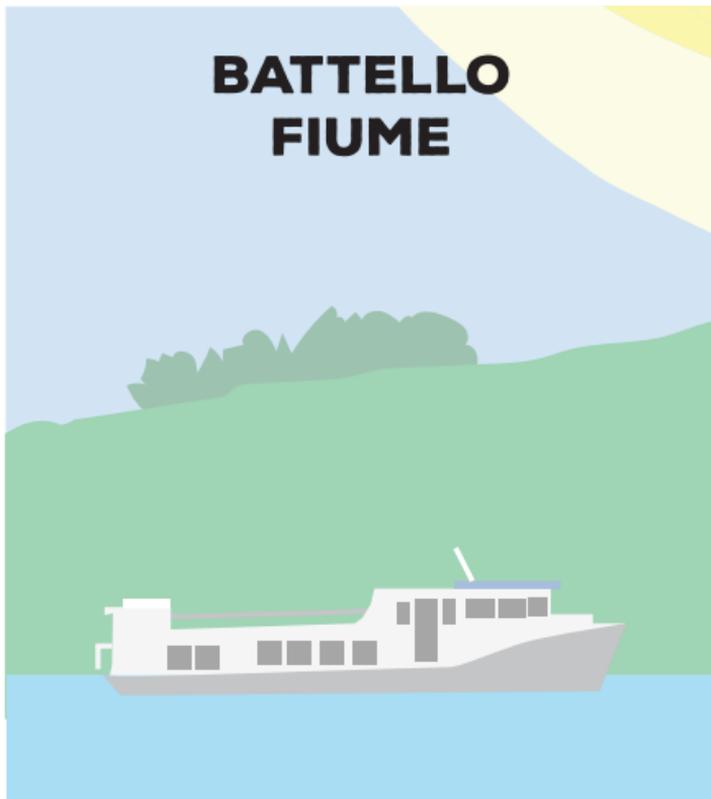

A stylized illustration of a natural park. On the left, a large tree with a brown trunk and a green canopy containing several red fruit-like shapes stands on a green hill. To the right, a bright yellow sun with black outlines and rays is positioned in a light blue sky. In the foreground, a winding path leads towards a simple brown wooden bench on the right. A small white flower is visible on the grass near the tree's base.

BACINO IDRICO DI RISERVA

A diagram illustrating a water reserve basin. It shows a cross-section of a landscape with a light blue sky, a green hillside, and a greyish-brown basin. The basin is filled with water and has a white, brick-like lining. A small green plant is growing on the right side of the basin. The text is overlaid on the diagram.

dedicato allo svago e alla
pesca sportiva.**

An illustration showing a natural levee. On the left, a blue body of water with white wavy lines representing waves is contained by a raised earthen bank. Behind the bank, there are several stone buildings with yellow roofs. To the right of the bank, a green field contains a few red flowers and some dark green bushes. The sky is a light green color.

ARGINE NATURALE

**Rialzo di terra che
serve a contenere
un corso d'acqua.**

An illustration showing a cross-section of a riverbank. On the left, a blue river flows. A raised, light-brown earthen embankment (argine) runs along the river. On top of the embankment, there is a grey stone wall with yellow rectangular openings. To the right of the wall, a brown path with a white dashed line (ciclabile) runs parallel to the river. The area to the right of the embankment is green grass with some dark green bushes and red flowers. The text 'ARGINE CON CICLABILE' is written in bold black letters across the top of the embankment.

ARGINE CON CICLABILE

**Rialzo di terra che
serve a contenere
un corso d'acqua.**

FIOR DI LOTO

Pianta esotica che, a causa del suo negativo impatto sull'ambiente lacustre italiano, viene rimossa dai laghi di Mantova per poter essere venduta al mercato estero.

An illustration of a reed bed in a pond. The background is a light blue sky with a yellow sun in the top right corner. The water is a light blue color. In the foreground, there are several tall, brown reeds with green leaves at the bottom. A small red fish is visible at the bottom left of the water. The text is overlaid on the reeds.

CANNETO

Formazione vegetale che svolge la funzione essenziale di fitodepurazione per gli specchi d'acqua e rappresenta un ambiente adatto alla sosta e alla riproduzione di varie specie animali.

An illustration of a buffer zone. At the top, a yellow sun is partially obscured by a grey shadow. Below it, a blue pond is surrounded by green trees and bushes. To the left, a grey rock formation is visible. In the background, there are red radiation symbols and a grey structure, suggesting a hazardous area. The ground is depicted with brown soil and small grey rocks.

FASCIA TAMPONE

Fasce di vegetazione che separano un ambiente di alto valore naturalistico da una zona a forte presenza umana.

DIGA BASSO MINCIO

**Barriera costruita
per ostruire o deviare
il corso di un fiume e
raccolgierne le acque.**

A colorful illustration of a landscape. In the top left, a bright yellow sun with rays shines against a light blue sky. Below the sun, a large green tree with a brown trunk stands on a green hill. A blue river flows through the center of the landscape, with white wavy lines representing water. In the bottom left, there are two white daisies with yellow centers. The background is a light blue sky and green hills.

CORRIDOIO ECOLOGICO

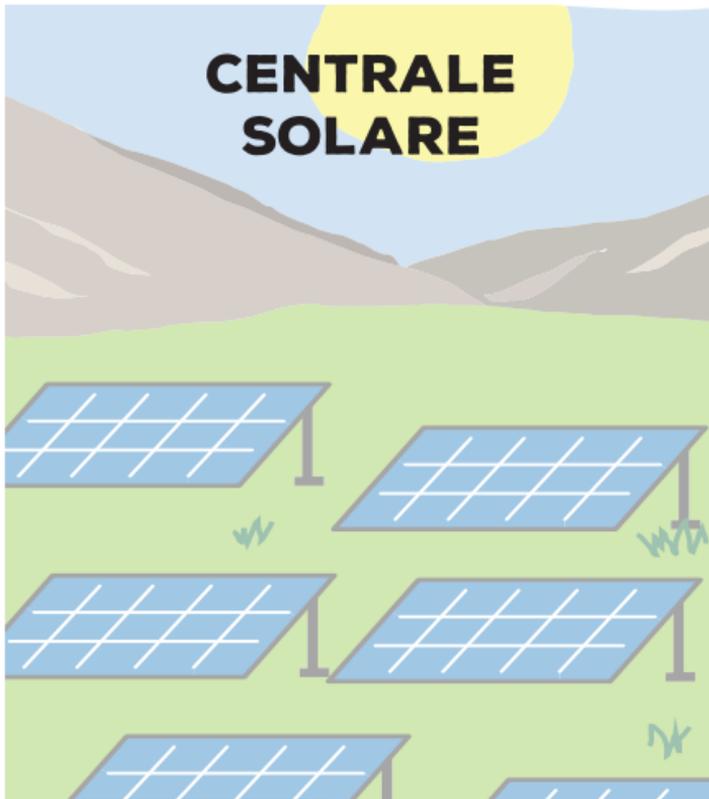

**Elemento del paesaggio
che connette due o più
habitat naturali e
permette il passaggio
della fauna.**

The background of the slide is a vibrant, stylized illustration of a natural landscape. At the top left, a bright yellow sun with radiating lines is partially obscured by the text. Below the sun, a blue river flows through a green landscape. On the right side, a large, brown tree with green foliage stands prominently. In the foreground, there are several green bushes and two white daisies with yellow centers. The overall scene is bright and cheerful, representing a healthy natural environment.
